BUSINESS DIRECTORY 2018/2019

The West Rand Chamber of Business and Tourism is currently busy compiling the new Directory for 2018/2019. This essential and valuable booklet is an easy reference for residential and businesses alike, it is also full of other interesting information.

In this booklet we not only advertise your Business, but we insert pictures of our main projects i.e. the Business Achievers Competition, places to visit in and around Mogale City, interesting facts about the West Rand and a Tourist map of the area.

We attach our price list and we will accept 2-3 payments to suit your budget.

Please support us in this necessary initiative as it will be a good marketing tool for your Company.

We welcome back our previous advertisers and also new.

Yours Faithfully
