

West Rand Business Achievers Business Woman of the Year Award 2018

The award recognises and celebrates special business-women who shows entrepreneurial spirit, originality and business acumen. They that contribute towards the development of entrepreneurs and economic development, and who is an inspiration to other women to reach similar achievements.

Eligibility

Any woman who is a business owner, or has been in a senior management position in an organisation for at least 12 months. Nominees may be from any business sector.

Criteria

The WRCBT Business Woman of the Year will be judged according to the following criteria:

- The nominee should be the owner, partner or major shareholder of the business, or must hold a senior position, and show initiative and foresight in the day-to-day operations of the business.
- Her achievements should be evident.
- The nominee's achievements and the changes she has brought about should have made a positive difference to the lives of South African people.
- The nominee's work should have improved the social and economic situation of a community.
- The nominee should be a capable leader and role model who influenced others to emulate her in her efforts to make a difference.
- The nominee should be driven by the desire to do something about the problems she encounters and must have been able to overcome obstacles. At the same time she must have shown tenacity, creativity and drive.
- The nominee must be results-orientated.
- The nominee must have a broader vision for the work she is doing, promote equality for women and campaign for a greater role for women in society.
- The business must be financially stable and have a proven track record of three years.
